ELECTRICAL CONSUMABLES

WHAT WE DO

Originally specialising in lighting harnesses, we have now expanded to cover all aspects of a vehicle build. Our harness kits are still very much a core part of our company, but now we offer them complete with lighting, object detection, safety equipment, hardware, and all of the associated consumables required for installation.

Durability, safety and consistency are critical parts of what we do. With us, you can be assured of a personal service from start to finish.

WHY CHOOSE US

As a family business, we take a personal approach to every project. Our customers know every person involved in the processing of their order, from our technical sales reps to our warehouse team.

We pride ourselves on:

- Reliability of a network of trusted suppliers
- Responsiveness of a small focused team
- Always contactable for a collaborative solution
- Getting it right first time

GET IN TOUCH

If you're looking for a single source solution for parts for commercial vehicles, from a forklift truck up to heavy plant machinery, we'd be happy to discuss your requirements. Whether it's a special project or ongoing production support, we're always happy to help.

Please give us a ring on 01543 270270, or have a look at the back cover for your rep's details.
